

LONDON HIGHER FACTSHEET 2017
HEFCE RECURRENT GRANTS FOR 2017-18

1. Forty HE institutions in London* have been allocated £880 million in recurrent grants, which is a reduction by £3 million from the previous year;
2. In London 40% of the total recurrent grant is for teaching and 56% for research activities, and research allocations for the East and South East are 69% and 67% of total grants, respectively;
3. Teaching and research grants have declined by 55% since 2011-12 in London, largely due to the replacement of direct teaching funding with income from student loans;
4. London Weighting under research funding is set at £34 million (7% of QR funding) and is an increase of about £1 million from the previous year.

* HE institutions in London include Royal Holloway, University of London, and The British School of Osteopathy but exclude The Open University in London (data not available).
